Crosshouse Primary School

Anti-Bullying Policy
2019

excellence  partnership  confidence  respect  trust  inclusion  honesty  manners  responsibility  achievement
At Crosshouse Primary School, we provide an inclusive community, where learners can achieve success for today and prepare for tomorrow by attaining, believing and achieving. For learners to achieve their full potential, they must learn in a safe, secure and nurturing learning environment, where their differences are recognised, respected and celebrated. Central to this are our ten school values, with three identified specifically as key elements of our anti-bullying strategy:

- **excellence**
- **partnership**
- **confidence**
- **respect**
- **trust**
- **honesty**
- **responsibility**
- **inclusion**
- **manners**
- **achievement**

To achieve a respectful, trusting and inclusive community, free of unacceptable and intolerant behaviour, we are committed to embedding and maintaining our anti-bullying strategy. Our policy has been written in conjunction with national and local anti-bullying policies and guidelines; ‘Respect for All’ (Scottish Government, 2017) and ‘Treat Me Well’ (South Lanarkshire Council, 2018). In addition, our ‘Leadership of Change’ group have placed the following articles from United Nations Convention on the Rights of the Child (UNCRC) at the heart of our policy:

**Article 2**
The right to protection from discrimination.

**Article 12**
The right to say what I think on matters that affect me and have my views taken seriously.

**Article 19**
The right to be protected from being hurt or badly treated.
All learners and staff sign a pledge to choose respect!

- Ensure that all young people are free to learn in a **safe, secure and tolerant** environment.
- Inform all young people that it is their right **NOT** to be bullied.
- Ensure there is a **common understanding** between learners, staff and parents/carers of what bullying is and where it takes place.
- Develop a **partnership** approach to anti-bullying with parents, carers, learners and staff.
- Promote a **positive ethos** that fosters self-esteem and resilience for our pupils.
- Equip young people with the necessary skills to **recognise and tackle** bullying behaviour both in school and outside of school.
- **Support** pupils who have been affected by bullying.
- Provide help to pupils perpetrating bullying behaviours to **recognise** the causes and consequences of their behaviour.
- Provide **support** and advice for parents, carers and staff when dealing with bullying behaviours.
- Establish **clear steps and guidelines** for recording, reporting and monitoring instances of bullying.
At Crosshouse Primary school, we are fully committed to eliminating any and all forms of bullying behaviour, which can leave young people feeling hurt, frightened and upset. If young people do not feel happy and Believe they are secure at school then they will be less likely to Attain and Achieve their full potential. Our school policy takes its’ definition from Respect for All, 2017:

“Bullying is both behaviour and impact; the impact is on a person’s capacity to feel in control of themselves. This is what we term as their sense of ‘agency’. Bullying takes place in the context of relationships; it is behaviour that can make people feel hurt, threatened, frightened and left out. This behaviour happens face to face and online.

Pupils, staff and parental stakeholders considered the national definition (above) and worked collaboratively to produce a simpler version to ensure learners of all ages understood what bullying is and how it impacts their sense of agency:

“If someone else’s words or actions make you feel scared, left out or just sad for being you, then this may be bullying behaviour. This can happen face to face or online.

This behaviour can harm people physically or emotionally and, although the actual behaviour may not be repeated, the threat may be sustained over time, typically by actions, looks, messages, confrontations, physical interventions, or the fear of these. This behaviour can include:

- Being called names, teased or threatened face to face/online
- Being hit, tripped, pushed or kicked
- Having belongings taken or damaged
- Being ignored, left out or having rumours spread about you (face-to-face and/or online)
- Sending abusive messages, pictures or images on social media, online gaming platforms or phone
- Behaviour which makes people feel like they are not in control of themselves or their lives (face-to-face and/or online)
- Being targeted because of who you are or who you are perceived to be (face to face and/or online).
At Crosshouse Primary School, we treat prejudice based bullying and language with the same level of seriousness as any other form of bullying. The Equality Act 2010 outlines the nine protected characteristics:

- Age
- Disability
- Race
- Sex
- Pregnancy
- Religion/Belief
- Marriage/Civil Partnership
- Gender Reassignment
- Sexual Orientation

Online bullying should not be treated differently from face-to-face bullying. Online bullying, or ‘cyberbullying’ as it is often referred to, affects young people in the exact same ways as face-to-face bullying.

A person can be called names, threatened or have rumours spread about them and this can (like other behaviours) happen in person and online. We address online bullying as part of our school anti-bullying approach, not as a separate area of work or policy. Where both parties are present in our school, we will apply the same reporting and monitoring procedures as face to face bullying.

Where bullying behaviour is reported to us and we only have one party in our school, we will support the young person who is experiencing bullying behaviours or we will challenge and support the young person committing bullying behaviours to see how their actions are affecting others in a negative manner.

It is just as important to remember young people will ‘fall out’ and disagree as a normal part of growing up and we would not consider this bullying behaviour or address it through this policy, unless left unresolved and it develops into something more serious. Young people experiencing fall outs and disagreements will be supported in the normal way.

There may also be times when some actions may appear to be bullying, but they are in fact a crime. Behaviours such as hate crime, sexual harassment/assault, or physical assault are illegal.
Bullying in any form is unacceptable and a breach of children’s rights. All stakeholders must be aware of their roles and responsibilities in ensuring a safe, inclusive and positive climate, where everyone is a role model. All alleged incidents of bullying behaviour are taken seriously in Crosshouse Primary School. We deal sensitively with these incidents and offer support to all involved. All instances should be reported immediately to ensure there is effective early intervention, as this often stops a more serious pattern of behaviour from emerging. In the first instance, SMT will follow the procedure as set out below:

⇒ Alleged bullying behaviour is reported by pupil, parent or staff.
⇒ SMT investigate sensitively and fairly.
⇒ All parties listened to and views taken on board.
⇒ Parents informed and views taken into account.
⇒ All parties informed of how others are feeling.
⇒ SMT will ask that all inappropriate behaviour ceases.
⇒ SMT will monitor for two weeks, with pupils, parents and staff encouraged to report further incidents.
⇒ SMT to record on pro-forma.
⇒ At the end of the two week monitoring period, pupils, parents and staff will evaluate collaboratively and decide on one of two outcomes:

1. Situation resolved.
2. Situation NOT resolved - as directed by SLC policy, a bullying incident is logged on SEEMIS and further action taken.

Although almost all cases are resolved after the two week monitoring period, we reserve the right to apply the following consequences if required:

- Contact with parents.
- Verbal warning.
- Parental meeting.
- Formal exclusion.
- Police involvement.
- In extreme cases and in collaboration with South Lanarkshire Council and parents, removal to another establishment.

It is crucial in all cases that all pupils are supported effectively through ongoing support, advice and guidance. In all cases, the situation will continue to be monitored.
Members of SMT will use the following pro-forma when dealing with all reported incidents of alleged bullying behaviour:

<tr>
<td>There was a lack of clarity in who bullying should be reported to in school.</td>
<td>We included clear roles and responsibilities for all stakeholders. Pupils should tell someone they trust, that person should then tell any member of staff. All staff members are aware of next steps - inform SMT, SMT open a case, investigate and set actions.</td>

<tr>
<td>Parents and staff asked for a new policy, clear definition, reporting procedure, clear consequences and zero tolerance.</td>
<td>We created a new policy. We adopted the national definition and made a ‘child friendly’ version too.
