# Accessing GLOW from Home

- Type in 'GLOW login' into a search engine.
- Click the first link.

It should look like this:

- Type in username and password. Please note: the search engine usually adds the **@glow.sch.uk** part, but if it fails to do this, just add this on.

- You should see this page. If you do not, click the school launch pad icon (shown in the circle).

- From here, you can now access Google Classroom, Sumdog, OneDrive and school tiles.

Accessing Sumdog	**Accessing Google Classroom**	**Downloading Office**
Click the symbol: Sumdog Login Screen • **Login using your username and password (usually the same as your GLOW)** • **School code:** crosshouseprimary • **Complete Reading, Writing and Maths sessions.** • **Your teacher may also set challenges and quizzes.**	Click the symbol: Google Classroom G Suite • **Click on your class.** • **Go to 'Stream' or 'Classwork'.** • **Follow the links and instructions your teacher has posted.**	**To download all Office Programs FOR FREE, simply click:** Download Office Now Microsoft Office 365 **All children in Scotland are entitled to 5 desktop licences and 5 mobile licences!**
